

Welcome to grade 6

By Yara, Rania, Héloïse, Malaika and Rahim

SUBJECTS

We have 10 subjects:

Technology, Maths, History, Geography, Art, PE (physical education), Music, French, Natural Sciences.

LOCKER

At the beginning of the school year, you have a locker where you can store your books in. But you have to buy a lock and a key to secure your locker

TIMETABLE

At the beginning of the school year, you will receive a timetable which will give you the time of your classes and allow you to enter the school.

After 2 hours of lesson, you have a break of 20 minutes and after 4 hours you have a big break of 1 or 2 hours for lunch.

THE CANTEEN

In the canteen, sometimes there is a lot of people. We have trays, chairs and tables. You have to serve yourself like in the canteen of the primary school. The food is delicious.

Teachers

In grade 6, there are ten teachers and one lead teacher, one for each subject; most of them are very nice but some are strict. The teachers are always nice but when you misbehave, they punish you.

GRADES

You will learn new things but above all review your grade 5 lesson. Some subjects will be difficult but don't worry the teachers are here to help you :)

You will do some tests to assess your skills.
