AIM

The International American Section is designed for students having a good knowledge of both English and French.

OBJECTIVES

Achieve **expert language proficiency** and develop **bi- and pluricultural skills** through additional teaching in Language and Literature and Social studies ;

Enable French and/or Francophone students to follow an **intensive in-depth training** with English as a language of instruction in Literature and Social Studies ;

Facilitate the integration of English speaking students into the French educational system ;

Provide **continuity for students** arriving from International Sections abroad ;

Create an international dynamic at Lycée Jean-Mermoz.

CONTINUITY FROM CP (1st grade) to TERMINAL (Senior year) according to the language policy of our educational establishment.
